

# Zorbing

Contemplating over the aggravating trend of adventure and whacky sports going across the globe, Prayukti 2020 has inducted a new event at this year's rendition. Zorb balls are the new age definition of fun and recreation. An orb using made of plastic encloses the person who in turn has to tussle against another person in the same state.

## Safety measures:

**EYEGLASSES:** Eyeglasses cannot be worn during game play, only safety goggles with a head strap. Contact lenses are also acceptable.

**FOOTWEAR:** Sport sneakers with rubber/soft soles are compulsory for all players. High heels, hard-soled shoes, boots, work boots, hiking boots, or spiked shoes are not permitted under any circumstance. Sock feet or bare feet are also not permitted.

**CLOTHING:** Short or long sleeve t-shirts are required during game play (tank tops or muscle shirts are not permitted). Athletic pants or shorts are recommended. Clothing with sharp buttons or snaps is not permitted. Belts are also not permitted.

**OTHER SAFETY EQUIPMENT:** Shin pads and knee pads are recommended, but not mandatory.

**JEWELRY:** All jewelry, including watches, necklaces, earrings, bracelets, and rings must be removed prior to game play. Irremovable jewelry must be covered.

**HAIR ACCESSORIES:** It is recommended that long hair be tied back with soft elastics. Barrettes, hair pins, hair clips, and/or similar accessories that could potentially puncture a bubble suit are not permitted.

**CONTACT BETWEEN BUBBLES:** It is forbidden to bump a player from behind or to aim your bubble at another player's legs. It is also forbidden to fiercely bump a player who does not have the ball, or a player who is on the ground. Do not bump another player without making sure they see you first.

**HYGIENE:** After the game, we ask that you wipe down the inside of your bubble. We will provide you with cleaning solution and a cloth. We will do a thorough cleaning of the bubbles prior to their next use.

team. Generally, players will agree to the award of a foul kick when no referees are present. A player on the opposing team must give the kicker a gap of at least five (5) metres for a free kick

• **OFFSIDE:** Generally, this rule is not applied.

**BALL IN BUBBLE:** If the ball lands inside a player's bubble, play will stop to retrieve the ball. This player will be provided possession where the ball landed in the bubble. A gap of two (2) meters will be provided to this player by the opposition until the ball is played.
